Prabhavit Gupta

Senior Integration & Low-Code Developer: APIs, iPaaS & Event-Driven Workflows

+39 351 610 7807 | prabhavitg@gmail.com | linkedin.com/in/prabhavit | github.com/prab-gupta | Venice, Italy

Summary

Senior Integration and Low-Code Developer with 3+ years of experience engineering enterprise API integrations, event-driven orchestration workflows, and scalable backend services. Proven track record leading platform migrations off legacy systems to modern architectures scaling from 2,000 to 4,500+ users without downtime. Deep expertise designing and deploying automated integration pipelines using n8n, Make, TypeScript, Python, and certified in Microsoft Power Automate, Copilot Studio, and Tray.AI. Strong background establishing data contracts, JSON/XML schema validation, bidirectional REST/webhook synchronizations, and robust automated error recovery.

Skills

- **Low-Code, iPaaS & Workflow Orchestration:** Microsoft Power Automate, Microsoft Copilot Studio, Tray.AI, n8n, Make, event-driven pipelines, webhook triggers, error handling and retry logic, human-in-the-loop review, automated exception escalation
- **Enterprise Integration & API Architecture:** REST APIs, webhooks, OpenAPI/Swagger specifications, JSON/XML schemas, SQL, PostgreSQL, Supabase, OAuth2, API authentication, bidirectional synchronization (OfficeRnD, Nexudus, Google APIs, SendGrid, CRMs)
- **Software Engineering & Migration:** TypeScript, JavaScript, Python, Node.js, Next.js, Laravel (PHP), legacy platform migration, entity data-model mapping, distributed system reliability, Docker, Git/GitHub, CI/CD pipelines
- **Testing, QA & Operational Delivery:** Playwright automated testing, Postman contract testing, unit and integration testing, user acceptance testing (UAT), incident triage, system monitoring and logging

Experience

FlowSpace.co **Mar 2024 - Aug 2026**
Lead Developer & Integration Engineer (Full-time, Freelance) *London, UK (remote)*

- Architected and deployed an end-to-end multi-format ingestion and integration pipeline (n8n, Claude API, TypeScript), extracting unstructured data from PDF, spreadsheet, image, and web brochures into validated JSON schemas; 900+ entities processed.
- Engineered bidirectional REST API and webhook integrations with OfficeRnD and Nexudus for automated booking synchronization, billing schedules, and cross-platform data consistency.
- Led platform and database migration off a legacy stack to coded Next.js and Laravel (PostgreSQL), scaling from 2,000 to 4,500+ users without downtime, including data-model mapping and entity migration.
- Shipped customer-facing support agents operating over live platform data, implementing confidence scoring thresholds and automated escalation to human staff for ambiguous inquiries.

UltraStrategy.com **Dec 2024 - May 2025**
AI & Automation Developer (Collaborator) *France (remote)*

Built an automated document extraction and integration pipeline in n8n and Eden AI, structuring unstructured documents into normalized, schema-validated JSON records across multi-tier user profiles.

Get2Germany.com **Jan 2024 - May 2024**
Developer & Automation Specialist (Part-time) *Berlin, Germany (remote)*

Built automated data collection and validation pipelines using n8n and Google APIs, streamlining database synchronization and candidate matching logic.

Clubee.com **Sep 2023 - Aug 2024**
Developer & QA (Full-time, Freelance) *Foetz, Luxembourg (remote)*

Integrated core REST APIs across frontend modules, executed comprehensive QA/unit testing, and delivered administrative dashboards.

Selected Projects

- **LLM Document Parser** (github.com/prab-gupta/llm-doc-parser): Open-source engine demonstrating multi-format document parsing (PDF, image, text) into strictly typed, validated JSON structures with automated error recovery.
- **Urlink** (2025): Project Manager & Integration Developer; managed client requirements, platform logic, and automated workflows using Next.js and Supabase.

Education & Certifications

Ca' Foscari University of Venice Oct 2020 - Jun 2024
BA Philosophy, International Studies & Economics (Minor: Entrepreneurship)

Certifications: Microsoft Power Automate • Microsoft Copilot Studio Agent Academy • Microsoft: Building AI Agents • Tray.AI Build Practitioner

Work authorization: Italian EU Long Term Residence Permit (no sponsorship needed in Slovakia/EU). Available immediately.
Languages: English (fluent C2), Hindi (native), Italian (conversational).
