Profile

Solutions-focused engineer with extensive experience building and integrating production APIs, automations, and AI tools across eight European companies. Strong background in customer-facing roles, gathering technical requirements, and delivering full-stack solutions. Eager to leverage hands-on technical expertise in networking, REST APIs, and system integrations as an Enterprise Solutions Engineer for Verkada.

Professional Experience

Lead Developer (Freelance) Mar 2024 – Aug 2026
FlowSpace.co London, UK (Remote)

- Managed end-to-end product development for a workspace marketplace, successfully scaling from 2,000 to 4,500+ users.
- Acted as the primary technical point of contact, mediating between internal teams, external agencies, and end-users to resolve complex customer issues.
- Developed and shipped automated booking integrations using OfficeRnD and Nexudus APIs (access control and workspace management).
- Led the migration of a live platform from a legacy stack to Next.js and Laravel, ensuring zero downtime.

Project Manager & AI-Assisted Developer (Freelance) Apr 2025 – Jul 2025
Urlink Barcelona, Spain

- Directed client-facing engagements, capturing technical requirements and implementing custom automation workflows.
- Built platform logic and client-driven automations using Next.js, Supabase, and Netlify.

Developer & QA (Freelance) Sep 2023 – Aug 2024
Clubee.com Foetz, Luxembourg

- Engineered API integrations across the frontend, and built dashboard tools for federation management.
- Conducted extensive unit testing and QA to ensure robust platform performance.

Technical Skills

- **Languages & Frameworks:** TypeScript, JavaScript, Next.js, Node.js, Laravel (PHP), Python
- **Networking & Data:** REST APIs, Webhooks, Postgres, Supabase
- **Integrations:** OfficeRnD, Nexudus, Google APIs, Sendgrid, CRM systems
- **AI & Automation:** LLM pipelines, RAG, n8n, Make, Claude/OpenAI APIs

Education & Certifications

Ca' Foscari University of Venice Oct 2020 – Jun 2024
BA Philosophy, International Studies & Economics (Minor: Entrepreneurship)

Certifications: Microsoft Copilot Studio Agent Academy, Microsoft Power Automate, Tray.AI Build Practitioner.
