Prabhavit Gupta

AI & Automation Engineer | Agentic Workflows & LLM Integration

+39 351 610 7807 | prabhavitg@gmail.com | linkedin.com/in/prabhavit | github.com/prab-gupta | Venice, Italy

Summary

I build and ship AI agents and workflow automations in production. At FlowSpace I built an autonomous listing pipeline: agents that scrape, draft, and push coworking space listings with a human in the loop, plus customer-support agents that answer against live platform data. I design and operate n8n workflows, integrate LLM APIs (OpenAI, Claude), and write the full-stack code around them in TypeScript, Python and Laravel. I use Claude Code as my primary development tool every day.

Skills

- **AI agents & automation:** production AI agents (scraping, drafting, classification, support), n8n workflow orchestration, LLM APIs (OpenAI, Claude, Eden AI), RAG, prompt and context engineering, human-in-the-loop pipelines, evals, Claude Code
- **Languages & frameworks:** TypeScript, JavaScript, Next.js, React, Node.js, Python, Laravel (PHP), Playwright
- **APIs & integrations:** REST APIs, webhooks, CRM integration (Attio, Amplemarket), property systems (OfficeRnD, Nexudus), Google APIs, Sendgrid, Supabase, PostgreSQL, MySQL
- **Ways of working:** end-to-end ownership, customer-facing work, shipping iteratively against real feedback, working across technical and non-technical stakeholders

Experience

FlowSpace.co **Mar 2024 – Aug 2026**
Full-Stack & AI Engineer (Full-time, Freelance) *London, UK (remote)*

- Took over a live marketplace on a legacy stack and worked with the team to migrate it to a coded Next.js and Laravel product, mapping the data model and driving the cutover. Scaled it from 2,000 to 4,500+ users.
- Built an AI listing bot with a human in the loop: it takes a brochure in any format (PDF, web page, photo or spreadsheet), drafts the full listing with an LLM, and pushes it to the backend after review. Onboarded 300+ spaces through this pipeline.
- Built support AI agents that answer customer queries against live platform data and escalate to a person on low confidence.
- Built CRM and GTM automations with n8n, including a pipeline connecting Attio, Amplemarket and Swan, plus OfficeRnD and Nexudus booking integrations.
- Integrated third-party property management systems (OfficeRnD, Nexudus) into the platform with full CRUD sync.
- Worked directly with the internal team, an external agency and customers, and resolved issues end to end.

Get2Germany.com **Jan 2024 – May 2024**
Developer & Automation Specialist (Part-time) *Berlin, Germany*

- Integrated Google APIs and built AI tools (n8n + LLM) to find courses, internships and jobs for users relocating to Germany.
- Optimized the database and automated content pipelines.

Clubee.com **Sep 2023 – Aug 2024**
Developer & QA (Full-time, Freelance) *Foetz, Luxembourg*

- Integrated the Clubee API across the frontend, ran unit testing and QA, and built shop and federation-dashboard tools.

Tractionboard.co **Aug 2023 – Oct 2023**
Developer (Internship) *Utrecht, Netherlands*

- Integrated ChatGPT/OpenAI and Sendgrid APIs, built responsive designs, and debugged features.

Freelance Projects

- **Urlink** (2025), Project Manager & AI-Assisted Developer. Worked directly with the client on requirements, built the platform and its logic, and implemented client-driven automations. Stack: Next.js, Supabase, Netlify.
- **UltraStrategy** (2024–2025), AI Automation Developer. Built a CV-parsing tool (LLM data extraction) with n8n and Eden AI, and a platform serving different user profiles.
- **Qomodo** (2024–2025), AI Developer. Built a dashboard for companies to manage their branches, and implemented Figma designs.

Certifications

Microsoft Copilot Studio Agent Academy • Microsoft: Introduction to building AI agents • Microsoft Power Automate • Tray.AI Build Practitioner (Sep 2024)

Education

Ca' Foscari University of Venice Oct 2020 – Jun 2024
BA Philosophy, International Studies & Economics (Minor: Entrepreneurship)

Work authorization: European Long Term Residence Permit (Italy), no sponsorship needed in the EU; available immediately.
Languages: Hindi (native), English (professional), Italian (beginner).
